## **Dress Code Information**

### **Appearance**

The manner of appearance and dress of Covenant Christian School reflects an image of Christian modesty, appropriateness, and self-discipline. Students and staff are expected to support the guidelines for CCS in appearance and dress. Guests, chaperones, and parents entering the school facility, attending school events, or accompanying our school on outings, such as field trips and honor roll trips, should comply with CCS dress and appearance standards.

*(Moses Lake only)* For the safety of our students, we will be requiring all students to purchase a CCS Field Trip shirt. These shirts will be worn when we go out on field trips, honor roll trips, etc. to easily identify students in our group.
